

EQUESTRIAN SUMMER CAMP ANYONE?

Welcome Back Manuela Mclean from ESI International

August 23 - 26, 2019 Salmon Arm, BC

A 3 day equestrian camp including daily lectures, lessons (in hand and under saddle), rider position, yoga and more. 8:30am - 5pm each day followed by potluck style group dinners at Gardom Lake.

What is equitation science?

It is the training of horses using learning theory and behavioral science. Manuela Mclean has competed successfully in 3 day eventing and dressage at FEI levels, written many papers and articles on dressage training and is a very popular clinician in Europe, Australia and New Zealand.

The lectures and lessons will be held at Topline Stables with dinners and yoga at Gardom Lake. Camp is limited to 12 riders and 8 non-riders. Camping is available at Gardom Lake and Topline stables.

There are limited spots for this camp so please RSVP as soon as possible . Full payment required to reserve your space.
